

Step One

We're going to start with some really straightforward cutting.
You'll need fabrics B1, C and D and then it goes like this –

From Fabric C cut 8 squares $4\frac{1}{2}$ "
From Fabric B1 cut 4 rectangles $4\frac{1}{2}$ " x $2\frac{1}{2}$ "
From Fabric D cut 16 rectangles $4\frac{1}{2}$ " x $2\frac{1}{2}$ "
Also from Fabric D cut 1 square $4\frac{1}{2}$ "

Put these cut pieces into a bag, put the bag in a safe place and congratulate yourself on completing the first step!
